HISTORY OF VICTORY OUTREACH

The history of Victory Outreach began in the heart of God and in the life of Sonny Arguinzoni, a heroin addict from the hard streets of New York City. After years of drug addiction and a life of hopeless despair, Sonny was saved by the far-reaching, ever-reaching love of God.

Almost immediately after Sonny's miraculous conversion, he began to feel the call of God into full-time ministry. Through the encouragement of his friends like Nicky Cruz and David Wilkerson, Sonny found himself enrolled at the Latin American Bible Institute (L.A.B.I.) in La Puente, California. It was while attending L.A.B.I. that he was introduced to the need of Los Angeles.

The ghettos in Los Angeles were different from New York in many ways. Instead of blocks and blocks of tenement buildings and skyscrapers, Los Angeles was flat. The street slang was different, the culture was different; but one thing was evident to Sonny...the needs of the people were the same. God was calling him to the people he knew best, the drug addicts. With teams from L.A.B.I., Sonny began having evangelistic street meetings in the barrios of Los Angeles, reaching out to the hard-core drug user, the gang member and the ex-convict.

While he was in his second year of Bible School, Sonny married Julie Rivera, also a student at L.A.B.I. She understood the plight of the drug addict; her brother had been a heroin addict. So even then, God was preparing Julie for the ministry God was going to give her and Sonny.

After graduation, Sonny ministered as the Field Evangelist of Teen Challenge Los Angeles and then as the Teen Challenge Center Supervisor. He also ministered for a short period with the Nicky Cruz Crusades. However, in the midst of all the work and the multitudes of people in the crusades, God was causing restlessness in him. There was a need for a church where former addicts and felons could bring their families and worship God...where they could grow and mature as Christians and participate in the life of the church.

With the assurance that God was directing his footsteps, Sonny set out to start a church. He began by going into an area called "Maravilla" in East Los Angeles, talking to the junkies and gang members who were walking the streets of "Maravilla," - wasting their lives on killer drugs and gang honor. He began taking men into his very own home to kick their drug habits. Before long he reached one, then another, and so began Victory Outreach. The ministry of Victory Outreach became known to many as "The Addict Church" because of the many addicts that were being saved.

In 1967, they purchased a church building on Gless Street in the Boyle Heights district of Los Angeles. Even then, in the infant stages of Victory Outreach, God was directing their philosophy of ministry - to reach, teach and to plant churches. Sonny would challenge the church with messages of a Victory Outreach whose ministry would be respected around the world. Evangelism was pumped into their hearts, and they began to take the message of Good News to gang and drug-infested neighborhoods, and the ministry began to grow.

At that time, there was only one church and one rehabilitation home for men. As time went on and young men caught the "Vision," Victory Outreach began to multiply. A girl's rehabilitation program was opened on 6.5 acres of beautiful property called the Hacienda Victoria. Two hundred acres were also purchased in Helendale, California. Today, there are over 400 Victory Outreach sites established throughout the United States, South America, Europe and Asia.

Not only did Victory Outreach grow as a fellowship of churches, but Pastor Sonny's church also continued to grow. From a little church on Gless Street, with a maximum occupancy of 150 people, to a church of over 3000 situated on 15 acres in the City of La Puente.

As a team, Sonny and Julie have weathered the storms of ministry together as well as reaped the blessing of ministry together. No matter what the circumstance, they've always remained back-to-back partners. Julie continues to be a strength and encouragement to her husband and their five children. Her attitude and affection has had a marked influence on the ministry of Victory Outreach throughout the years. She currently oversees United We Can and United Women In Ministry.

The years of ministry have solidified and clarified their calling and mission. They don't believe they are really doing something new. But in fact, are only telling an old, but powerful story - the Good News of Jesus Christ to as many people, as often and as far as God sees fit to send them. And so after 30 years of ministry, they believe that this is only the beginning for Victory Outreach.

In the years to come, they want to continue seeing strong churches and training centers established so that more young men and women will be able to go to the uttermost parts of the world to preach the Gospel!

VICTORY OUTREACH MISSION STATEMENT

Victory Outreach is an international church-oriented Christian ministry called to the task of evangelizing and discipling the hurting people of the world with the message of hope and plan of Jesus Christ. This call involves a commitment to plant and develop churches, and training centers in strategic cities of the world. Victory Outreach inspires and instills within people the desire to fulfill their potential in life with a sense of dignity belonging and destiny. Victory Outreach works cooperatively with others of mutual purpose in accomplishing the task before us.

Victory Outreach Statement of Faith

WE BELIEVE:

The Bible is Our All-Sufficient Rule of Faith and Conduct, in the Inspired Word of God.

The Scriptures, both the Old and the New Testaments, contains the verbally inspired, and authoritative word of God. (2 Tim. 3:15-17; 1 Thess. 2:13; 2 Pet.1:21).

There is But One Living and True God. God has chosen to reveal himself as the Father, the Son, and the Holy Spirit, and these three are on God the same in substance, equal in power and glory. A Trinity in unity. (Dt. 6:4; Isa. 43:10,11; Mt. 28:19; Lk. 3:22).

In the Deity of the Lord Jesus Christ: The Lord Jesus Christ, the Son of God, is God and man. Jesus Christ is perfect God and perfect man. (Jn. 1: 1-3; Col. 1:16; Heb. 1:10).

As the Eternal Son of God we believe:

1. He was born of a virgin. (Mt. 1:23; Lk. 1:31,35).
2. He led a sinless life (Heb. 7:26; 1 Pet. 2:22).
3. He performed miracles (Acts 2:22; Acts 10:38).
4. He died on the cross for our sins (1 Cor. 15:3; 2 Cor.5:21).
5. He rose bodily from the dead (Mt. 28:6; Lk. 24:39; 1 Cor. 15:4).
6. He sits at the right hand of the Father (Acts 2:33; Phil. 2:9-11; Heb. 1:3).
7. He will visibly return again (Acts 1:10,11).

In the Sinfulness of Man: When Adam and Eve fell from their original righteousness and communion with God they became dead in sin. From this original sin our natures became sinful. Because of the sinfulness of man, sinful man is inclined to serve his own will instead of God (Ps. 36:1; Jer.17:9).

In the Salvation of Man: The Bible teaches that God has provided salvation for man in the person and work (life, ministry, vicarious death, and resurrection) of his son Jesus Christ. Conditions or requirements for salvation: Repentance toward God and faith in our Lord Jesus Christ.(Mk. 1:15; Mk. 3:19, Mk. 16:31; Jn. 3:16).

The Sanctification of the believer: With salvation we are set apart from sin and dedicated to God for fellowship and service. This sanctification is both instant and progressive in the life of the saint. (1 Thess. 4:7, 1 Thess. 5:23; Heb. 10:4; 1 Pet. 1:2).

In the Baptism of the Holy Spirit: The purpose of the baptism is to empower or energize us for service. This is evidenced by the initial physical signs of speaking with other tongues as the Spirit of God gives them utterance (Acts 1:4, Acts 1:8; Acts 2:4).

In the Church and its Mission: The Church are those regenerate persons who are gathered together in Christ the head of the church; through which the gospel is preached and believers are nurtured. (Mt. 28:19,20; Mk.16:15; Acts 1:8; Eph. 4:11-16; 1 Cor. 14:12).

- A. To accomplish the work of the ministry we believe in the priesthood of the believer (Eph. 4:12; 1 Pet 2:9)

- B. And in the ministry of Apostles, Prophets, Evangelists, Pastors, and Teachers (Eph. 4:11).

WE BELIEVE:

In the Ordinances of the Church: There are two ordinances (authoritative order, decree) that we observe and practice.

- A. Water baptism by immersion: all who repent of their sins and believe in the Lord Jesus Christ are eligible for water baptism (Mt. 28:19; Mk. 16:16; Acts 10:47; Rom. 6:4).
- B. Holy Communion or the Lord's Supper. "Do it in remembrance" declares the Lord's death and as such a memorial (1 Cor. 11:24; 1K. 22:19). "You do show the Lord's death" is an act of faith in the atoning work of Christ and as a proclamation (1 Co. 11:26). "Till He comes" is a statement of anticipation of the return of our Lord Jesus Christ and as such our hope.

In Divine Healing: Jesus Christ is our Divine Physician who according to His will, sovereignty, graciousness, and mercy can heal the sick. (Isa. 53:4, 5; Mt. 8:16, 17; James 5:14-16).

In the Second Coming of Christ: His coming will be personal, visible, and glorious. (Jn. 14:3; Acts 1:10,11; Heb. 9:28; Phil. 3:20; Zech. 12:10; 2 Thess. 1:7; Col. 3:4; Rev. 1:7).

The dead in Christ will rise, then the redeemed that are alive shall be caught up together to meet the Lord in the air (1 Cor. 15:51,52; 1 Thess 4:17; 2 Thess. 2:1; Titus 2:13).

In the Second Coming of Christ, it will begin the thousand year reign of Christ over an earthly kingdom (Rev. 20:2,6).

The Final Judgment: Known as the "Great White Throne Judgment" it describes the judgment of all the wicked dead (Rev. 20:11-14).

In a New Heaven and a New Earth: Heaven and earth will have a new beginning. Heaven and Earth have awaited their redemption and will be restored in harmony and order, wherein dwelleth righteousness. (Ps. 102:25,26; Isa. 34:4; Isa. 51:6; Rom. 8:22; 2 Pet. 3:10,13).

Marriage: Marriage is a sacrament of the Church. This church defines "marriage" as the exclusive covenantal union of one man and one woman in which such union is a lifetime commitment. A civil government's sanction of a union will be recognized as a legitimate marriage by the church only to the extent that it is consistent with the definition of "marriage" found in this Statement.

Human Sexuality: Legitimate sexual relations are exercised solely within marriage. Hence, sexual activities outside of marriage (referred to in the New Testament as "porneia"-- πορνεία) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible and the Church. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or viewing of pornography, are incompatible with the biblical witness.

The 3 C's

OUR VICTORY OUTREACH MISSION STATEMENT CONTAINS ALL THREE C'S: CAUSE, CORPORATION AND COMMUNITY.

1. COMMUNITY – FAMILY ACTS 2:42; 1 TIM 5:1-2

The church is a community; we are a family. This is why we call each other brother, sister, spiritual mom and dad. We can express and receive love, security and a sense of belonging in a family. Usually it is the weakest person in a family that receives the most attention.

Victory Outreach has been instilling the concept of family into its members since the beginning. God has raised up a people that were no people. Many of the people working in the ministry of Victory Outreach today would not normally qualify as a pastor or licensed minister in other denominations or movements.

We have a sense of dignity and belonging because we are a family that God Himself raised up to become a unique ministry that works with the hurting people from inner-cities worldwide.

2. CAUSE - ARMY MATT. 16:18; Zechariah 4:6

The cause is the army of the Lord. We are an army with a mission that God has given us to reach the world. We are a mighty army set aside to do battle against the powers of darkness through obedience, loyalty and holiness.

Having the same mindset is essential for conquering new lands for the Lord. While in a family the basic values that are instilled are love, acceptance and respect; in the army the values are a sense of mission, strategy, honor, courage, duty, and loyalty. In having these same core values, we will continue to experience VICTORY after VICTORY!

3. CORPORATION – BUSINESS 1 COR. 14:40

Besides being a family and an army, the church also functions as a corporation. This is the business aspect of the ministry. We have our Victory Outreach International office which is fully staffed with individuals that are dedicated to the worldwide expansion of Victory Outreach through “United We Can”. This will become our future financial stability.

Each local Victory Outreach church strives to become a well-polished, business-run church. We recognize and believe in accountability to leadership in all aspects of the vision. Decisions are made for the benefit of the total organization.

SECTION I – THE CHURCH

Administrative Steps to Start a Church

This Best Practice “Administrative Steps to Start a Church” was established to assist new churches in keeping in line with the Great Commission, the vision of Victory Outreach International, and to ensure that new churches remain in compliance with actions required by Federal and State Governments.

To make this process less challenging here is a simple step by step process, for creating a non-profit corporation, filing with the state, and if you decide to apply for your 501(c) (3) with the IRS/Federal Government [It is NOT required to file the form 1023 with the IRS], and how to open a church Bank account.

After (and only AFTER) the Church Launch forms and Trade Name and Trademark License Agreement have been filed and approved by VOI Ministerial Relations Office the following is an outline of the “legal” steps to follow:

1. You need to get an **Employer Identification Number**, also referred to as an EIN. It’s similar to your social security number, but it’s for a business, or in this case, for your church. To acquire this number, you’ll need to file an SS4 form with the IRS. This can be found at the IRS website, which is provided here for your convenience.

<http://www.irs.gov/businesses/small/article/0,,id=102767,00.html> Look over the SS4 form and fill in the blanks. You can mail it in - OR you can apply over the telephone. Call the toll-free Business and Specialty Tax Line, at **1-800-829-4933**. If you are outside the continental USA, (Alaska and Hawaii) call **215-516-6999**. They will walk you through the process of getting the EIN number. You will receive correspondence from them, assigning your church an EIN number. Keep this letter, and make some copies. [A good administration practice is to keep all these documents in one binder – You WILL need them from time to time and it will be productive to have the documents located in one place]. If you have started the church before forming the corporation, just notify the IRS, and they will assign the EIN to your new corporation.

2. **Name for the church?** Victory Outreach recommends that you file as Victory Outreach Church [your city]. e.g., as part of the process of filing with the Secretary of State, you will need to have this name approved. They will do a check in the state records to see if that name is available. That is to be sure no one else is using it already, or has a name very close to it.

3. Now you are ready to **file the Articles of Incorporation** with the Secretary of State, along with the required filing fees. NOTE – Most states filing fees are less than \$100.00. If you mail the Articles of Incorporation to the office of the Secretary of State, you will likely wait awhile, sometimes up to three or four months, to get the “Time-Date Stamped” copies back. But if you drive to the Secretary of State’s office, and often they have satellite offices in nearby larger cities, you can “drop off,” and the waiting time is shortened to 4 days. For CA it is required to

complete **Form ARTS-RE Article of Incorporation of a Nonprofit Religious Corporation**. Walk in your completed ARTS-RE form, and pay for an extra copy to take with you. Check with your local Secretary of State's office for updated filing instructions.

4. **By-Laws** – The internal rules and regulations of running your Church's Board / Corporation [in our case the Church]. A sample By-Laws can also be found at www.voadmin.com in our Best Practices Manual. All you will need to do is fill in the blanks with your Church Name and information. These are for your files only and should not be submitted to the Secretary of State unless requested by your state.

5. **Organizational Meeting** - It is very important to have an Organizational Meeting, where the By-Laws are adopted and Directors are elected. Too many times this important step of having the organizational meeting is missed, and that can be bad news legally. Some refer to this meeting as “The birthing process” of the corporation. If there are no Minutes of such a meeting, it could be argued in a court of law – the church does not yet exist.

6. **Opening a Bank Account** - A Resolution from the Board of Directors will be required to open a bank account; it authorizes the opening of a Church Bank Account. A Sample Resolution can be found at www.voadmin.com in our Best Practices Manual. It identifies which bank, who is authorized to go to the bank to open the account, and who are to be the signers on the account. The one who is authorized, will take to the bank, the signed Resolution from the board of directors, a copy of the Articles of Incorporation, and the EIN letter. Be prepared to have all the other signers come to the bank with you, for since “911” the “Patriot Act” regulations have been severely tightened. The Bank MAY also require you to present your 501(c)(3) Exemption Ruling Letter to open the account. Be patient with them, and explain that you are a new church, and you may or may not, even file for this letter, as you are not required to do so. They should get around to waiving this requirement – if not, go to another bank.

7. In California, you have to **file an FTB 3500**, with the California Franchise Tax Board. This is also the case in some other states as well. Filing this Form will get the church approved as a non-profit, tax exempt organization, and exempted from having to pay the *\$800 annual Tax levied against all corporations. I have seen far too often, churches that never filed this form and have been billed the *\$800 for each year since they filed their Articles of Incorporation and their corporation suspended for failing to pay the annual tax levy. Don't make this costly mistake! FTB 3500 should be filed within the first six months, but it can also be filed at the same time you file the Articles of incorporation. **Amount adjustments likely, please confirm with the California Franchise Tax Board.*

8. **Filing the IRS Form 1023** - 501(c)(3) - The church is NOT required to file the Form 1023 to be tax exempt. The church **IS** tax exempt, without having to ask the IRS for something in writing (The Exemption Ruling Letter). There are certain benefits in having this letter, but you can file and get it at any time. Click here: <http://www.irs.gov/pub/irs-pdf/i1023.pdf> to see in their own words, in their own publication, that filing the “Form 1023 is Not Necessary – The following types of organizations may be considered tax exempt, under 501(c)(3) even if they do not file Form 1023.” And the first thing listed is – “Churches.”

TRADEMARK BEST PRACTICE

TRADE NAME/TRADEMARK LICENSE AGREEMENT

The Trade name and Trademark License Agreement provides a contractual way of ensuring that each church using the Victory Outreach trademarked names meets the operational standards and spiritual guidelines that are expected of Victory Outreach organizations. It is an essential document that needs to be signed and approved by two representatives of both parties. All organizations wishing to join the fellowship of churches of Victory Outreach are expected to sign this agreement, keep a copy on file and to be governed by its terms. **Contact VOI Administration Offices for the most current/updated TM Agreement.**

However, it is understood and agreed that the term of this Agreement shall be coterminous with any agreement between the parties related to the relationship or association of Licensor and Licensee and shall not, in any event extend beyond the term of any such agreement.

7. **TERMINATION:** In the event that for any reason this Agreement shall be terminated, except upon other terms agreed to in writing between the parties, Licensee shall thereafter discontinue further use of the licensed Trademarks and all right to further use the same, and the good will appurtenant thereto, shall revert solely in Licensor.

IN WITNESS WHEREOF, the parties have executed this Agreement by authority of their respective governing bodies as of the date first above written.

CHURCH NAME BEST PRACTICE

History

Victory Outreach is faced with several issues relating to church growth. One area is that of properly naming new and existing churches to provide continuity while still allowing the local church to maintain individual identity.

Problem

To eliminate territorial control and confusion as Victory Outreach continues to grow, (i.e., the planting of multiple churches in one city), it has become necessary for Victory Outreach to develop a Best Practice to provide direction in church naming. Whereby, each church can keep its own identity for promotional and literature purposes and also ensures each church will get proper recognition for their work in the community.

Best Practice

1. When there is only one church, that church may use the city name for promotional and image purposes.
2. Where there are multiple churches in a city, the churches can use the four cardinal points (North, South, East, West) or it can use the recognized local community name.
3. In the event that all cardinal points and all community names are used, the physical address will identify the church.
4. The Regional Pastor should help identify the name of the new church if necessary.
5. Church Name Change Requests will need to be submitted by logging onto www.voadmin.com and clicking on the [Forms - Notification of Change Link](#).
6. Approval of Name Changes will be made by the Multi-Regional overseer.

Internationally

The name of “Victory Outreach” must appear.

For Example: Victory Outreach / Alcance Victoria
or Alcance Victoria / Victory Outreach

AMENDING A CHURCH NAME BEST PRACTICE

Many states require that a business file an Article of Amendment when making any changes to a corporation.

Anytime a change needs to be made to a corporation, the state usually requires the filing of an Article of Amendment. For example did the business change addresses? Did a member or director leave?

Articles of Amendment are sometimes referred to as "Certificates of Amendment." In addition to changing your corporation name, the filing of Articles of Amendment can change the following information:

- Name and address of the registered agent
- Principal office address
- Names and addresses of directors or members
- Description of business activities
- Number of authorized shares
- Any other information included in the Articles of Incorporation

Specific instructions for filing a Certificate of Amendment can be found on your state website.

CHURCH LAUNCH BEST PRACTICE

 - 2. Church Launch Applications must be completed on www.voadmin.com

- B. Once the Church Launch Applicant is approved to be a Church Launch Candidate, both he and his wife will be scheduled for a Church Evaluation Interview with the Church Launch Committee.

CHURCH TITHE BEST PRACTICE

Victory Outreach believes in the biblical principle of tithing. We believe the tithe honors God and is an outward expression of love towards God. We believe the payment of the tithe reminds us that all that we have comes from God. According to I Cor. 16:2, the tithe was collected on a weekly basis. We believe that the same way Victory Outreach churches receive tithes from their congregants, so can Victory Outreach churches tithe to Victory Outreach International as a reminder that all that they have comes from God.

Upon the establishing of a church, all Victory Outreach churches should tithe 10% of the church's weekly income (income from tithes, offerings, etc.) to Victory Outreach International. Please remember that it is the Pastor's responsibility to ensure that the church is tithing. It is not the responsibility of the account representative (treasurer).

Go to www.voadmin.com to pay your Church tithe under the category "one-time gift" or set up a Church Tithe Recurring Account.

If giving by check or money order, indicate monies are for your Church Tithes so that proper credit may be given to you.

Make checks or money orders payable to **Victory Outreach International** and mail to:

**Victory Outreach International
Attn: Admin. Office
P. O. Box 3760

BEST PRACTICE FOR FINANCIAL ASSISTANCE FOR A VICTORY OUTREACH CHURCH

Purpose

The purpose of this Best Practice is to have a means for determining whether a petition sent in to Victory Outreach International Administrative offices for financial assistance by a Pastor (church) should be considered. Submission of the petition for financial help begins the process whereby a Victory Outreach Pastor, who holds credentials in good standing and has applied for financial assistance/help/loan with Victory Outreach International, will be reviewed and evaluated.

Victory Outreach International's reason for setting this Best Practice:

- To be good stewards of the monies that comes into Victory Outreach International.
- To establish criteria or standards by which Victory Outreach International can review and evaluate a Pastor (church) applying for financial assistance.
- To ensure that any financial assistance that is given is disbursed to a qualified recipient.

Who Can Ask For Financial Assistance?

This Best Practice applies to Victory Outreach Pastors (on behalf of their church for an acquisition) who hold credentials and are in good standing with Victory Outreach International.

Best Practice:

The Pastor applying must meet moral, ethical, and financial requirements before a determination is made. The Pastor's history of accountability will help determine the basis for financial assistance. In other words, has there been a consistent level of accountability to Victory Outreach International in the following areas:

Criteria for the Pastor

(On behalf of a church acquisition)

- **Minister's Fee**
Does the Pastor faithfully pay his ministerial fee?
- **World Conference Pledge**
Does the Pastor fulfill their World Conference pledge?
- **Church Tithe**
Does the Pastor have their church practice the principle of tithing to Victory Outreach International?

NO STREET SELLING BEST PRACTICE

Purpose: To establish a clear understanding of what our “No Street Selling Best Practice” means.

Best Practice:

There is to be no street selling that will damage or mar the image of Victory Outreach.

1. Victory Outreach churches will not sell on the streets. There will be no selling in malls, door to door, office buildings, businesses, etc.
2. Under no circumstance may any kind of tickets be sold on the streets by the church or in connection with the church or church sponsored events.
 - No selling food, meal tickets, car wash tickets, candies, etc.
 - We can have food and breakfast tickets sold only at our local church facilities.
 - Victory Outreach Churches must not be associated with ticket selling activities.
3. Corporate Business Sponsorship.
 - **Please see:**
Fundraising Best Practice with Regards to: Corporate (Business) Sponsorship

International Best Practice:

The “No Street Best Practice” applies to all Victory Outreach Churches worldwide

SATELLITE OUTREACH BEST PRACTICE

1. Best Practice: Only a church of 400 adults should implement “Satellite” outreaches as part of their church program.
 - a. A church of over 400 requires a larger base for hands on pastoral leadership training.
 - b. “Satellite” outreaches provide such a base.
 - c. “Satellite” outreaches become an incentive for leaders who aspire to the ministry.

2. Churches under 400 should not to establish “Satellite” outreaches.
 - a. A church under 400 is a size where the pastor can develop leadership and still have sufficient outlets for ministry and training without the need of having to develop a “Satellite” program in his Church.

3. Churches under 400 should be encouraged to plant (establish) churches.

- **This Best Practice Previously Known As “Satellite Church Best Practice”**

MARRIAGE BEST PRACTICE FOR VICTORY OUTREACH CHURCHES

Marriage is a union ordained by God. It was first instituted by God in the early chapters of Genesis, codified in the Levitical law, the Old Testament prophets compared it to a relationship between God and his people, examples of it are in the historical narratives, and, the wisdom literature discusses the unique unity of this relationship. Jesus explained the original intention and core elements of marriage, and several New Testament Epistles give explicit instructions on this union. Marriage is a typology of Christ and the Church. As such, the Church views marriage as a profound spiritual institution established by God. Due to the importance of marriage in the biblical witness, this church adopts the following Best Practice.

Clergy/Licensed Ministers:

1. Only duly ordained clergy and/or licensed ministers shall officiate at marriage ceremonies conducted on church property.
2. Clergy and/or licensed ministers employed by the church shall be subject to dismissal and/or loss of ordination and/or minister's license for officiating a same gender marriage ceremony.

Applicants:

1. Applicants wishing to have a ceremony performed by a member of the clergy and/or licensed minister employed by the church, or to use the church facilities, shall affirm their agreement with the Statement of Faith and shall conduct themselves in a manner that is consistent therewith.
2. Applicants shall receive twenty (20) hours of premarital counseling by clergy, licensed ministers or counselors employed by the church or other persons who, in the sole opinion of the pastoral staff of the church, have appropriate training, experience, and spiritual understanding to provide such counseling.

Premises:

1. Any marriage performed on church premises shall be officiated by a member of the clergy or a licensed minister of the church.
2. Clergy and/or licensed ministers officiating marriage ceremonies on church premises, whether or not employed by the church, shall affirm their agreement with the Statement of Faith and shall conduct themselves in a manner that is consistent therewith.
3. The clergy and/or licensed minister assigned by the church to implement the Best Practices contained in this Marriage Best Practice may, in his or her sole discretion, decline to make church facilities available for, and/or decline to officiate at, a ceremony when, in his or her judgment, there are significant concerns that one or both of the applicants may not be qualified to enter into the sacred bond of marriage for theological, doctrinal, moral or legal reasons.

V. MINISTERIAL TRANSITIONS

A. A Transferring Minister - The Transferring Minister in Good Standing

1. When a licensed minister in good standing transfers to another church because of health reasons, job relocation, family or personal reasons, they should consult with their current pastor.
2. The current pastor should inform the Regional Pastor as to the transferring of the licensed/hired or volunteer minister.

3. The current pastor should contact the pastor of the church where the transferring minister will be attending as to the minister's status.
4. The receiving pastor should wait a minimum of three months before using the transferring minister. This time frame allows for the minister to familiarize himself or herself with the local church vision. This also allows for the pastor and the transferring minister to acquaint themselves.

B. A Transferring Minister - A Transferring Minister Not in Good Standing

A **licensed** minister not in good standing is described as someone who cannot conform to the best practices of the church where they have previously served and refuses to accept church discipline.

1. Upon receiving a transferring minister not in good standing, the receiving pastor should contact the Regional Pastor to discuss future plans for the transferring minister.

3. A receiving pastor should always remain open to work with any transferring minister.
4. During this time period, the transferring minister not in good standing should demonstrate a genuine breakthrough in their spiritual walk with the Lord, a teachable spirit, faithful church attendance, proper attitude regarding their former pastor and church, and the ability to relate well with the new pastor and those who have been placed over them in leadership.

The Regional Pastor should be contacted by the resigning pastor/minister at least 60 days or as soon as possible prior to the desired date of resignation. The Regional Pastor should be notified in writing by the resigning pastor.

A. Property and Records

The resigning pastor shall leave complete records of all activities and business matters of the church for the incoming pastor. This will include records on membership, spiritual reports, monthly reports, inventory of church property and equipment, and a listing of any other financial accounts/records.

B. Releasing the Congregation

The resigning pastor should totally release the congregation to the care of the new pastor and refrain from maintaining personal contact with the congregation.

C. Waiver of Liability

The resigning pastor shall waive any claim against the church and Victory Outreach International Christian Fellowship of Churches for unpaid compensation for labor or investment of personal finances in the church, unless proper documentation can be presented.

III. REPLACEMENT

A. Selection of New Pastor

When there is an opening within the region for a pastorate, the Regional Pastor will work with the Sending Pastor and Multi-Regional Leader in selecting a new pastor. All involved should be open to the suggestions of the original sending pastor in considering a replacement.

Sending pastors who want to remove or replace a Pastor for whatever reason must discuss the replacement or removal of the Pastor with the Regional Pastor and/or Multi-Regional Overseer.

B. Pastoral Conduct

When assuming the pastorate of a new church, it is beneath the dignity of a Victory Outreach minister to underrate their predecessor or refer to their predecessor's shortcomings. A pastor should endeavor to promote a smooth transition.

C. Building Relationships

When assuming a new church, a Victory Outreach pastor, should love the people, develop relationships with the leaders and avoid making abrupt or radical changes. If assistance is needed, the advice of the Regional Pastor is encouraged.

IV. DISCIPLINE AND/OR REMOVAL

Discipline is an exercise of scriptural authority for which the church is responsible. The aims of discipline are that God may be honored, that the purity and welfare of the ministry may be maintained, and that those under discipline may be brought to repentance and restoration.

Discipline is to be administered for the restoration of the minister, while fully providing for the protection of the spiritual welfare of our local churches. It is to be redemptive in nature, as well as corrective, and is to be exercised with mercy and compassion.

A. Reasons for Discipline and/or Removal

1. If it comes to the attention of the Multi-Regional Leader and/or Regional Pastor that moral or questionable conduct of a pastor has arisen, there will be an inquiry of the accusation. The following may be reasons for discipline, and in some cases, warrant removal:
 - a. Any conduct unbecoming a minister or indiscretions involving morals
 - b. A failure or inability to represent their Christian testimony correctly
 - c. A contentious or non-cooperative spirit
 - d. An assumption of dictatorial authority over a church
 - e. A general disregard of Victory Outreach Best Practices
 - f. A declared open change on doctrinal views that contradict our Statement of Faith
 - g. Operating the ministry with continual negligent debt, which brings reproach to our ministry and the cause of Christ
 - h. Violations of ministerial courtesy and ethics
 - i. A negative attitude displayed publicly toward those who leave the local church and/or our ministry
 - j. Remarriage/Divorce in violation of our stand on remarriage and divorce (See Sec. III V:B; D2)

B. Disciplinary Action/Suspension

A minister may be disciplined for one of the reasons stated above (IV, A.) The minister may be placed under disciplinary suspension for a minimum of two years or another determined period.

Discipline for a two year Suspension

1. During their first year, they will not be allowed to publicly minister or perform any ministerial functions.
2. During the second year, the minister will continue to refrain from public pulpit ministry, but will be allowed limited low profile ministry under the direction of their local and regional pastor.
3. The minister will consistently stay under the direct supervision of a local pastor.

V. RESTORATION

Victory Outreach International believes in restoration of the following:

A. Moral Failure

Moral failure is any conduct unbecoming a minister or any indiscretions involving morals.

B. Divorce

Low standards on marriage and divorce are very hurtful to individuals, to the family and to the cause of Christ. We positively disapprove of Christians getting divorces for any cause except fornication and adultery according to Matthew 19:9.

1. With regards to anyone who has been divorced before their conversion, it is our position that their past sins have been completely cleansed by the blood of Jesus Christ as written in the Scriptures in II Corinthians 5:17, "... old things have passed away, behold all things have become new." (NKJ)
2. On the basis of forgiveness, that person may pursue remarriage and their calling in Christ.

C. Restoration Process

In the event that a licensed minister experiences divorce, there must be the witness of repentance and restoration of the person. The restoration process is as follows:

1. The individual who experiences **moral failure** will not be allowed to publicly minister or perform any ministerial functions for a minimum of two years.
2. The individual who experiences **divorce** and remains **unmarried**, will not be allowed to publicly minister or perform any ministerial functions for a minimum of two years.
3. The individual will be under the direct supervision of his local pastor and will submit to pastoral counseling and/or professional counseling.
4. Upon completion of the restoration process, the Multi-Regional overseer will resolve a final determination of possible reinstatement.

D. Reinstatement of Ministerial License

VI. SEPARATION OF CONGREGATION

The pastor and the congregation may remove itself from the fellowship of Victory Outreach International Christian Fellowship of Churches, upon the following conditions:

A. Initial Steps

The Pastor should notify the Victory Outreach International, Minister Relations Department of the intention to separate from Victory Outreach International in writing (to be delivered by certified mail) and by phone at least 30 days before the intended separation.

- The Pastor should indicate the reason for the separation.
- A meeting should be arranged with the date, time, and place where the pastor will meet with the “Tithers” of the church informing them that he intends to separate from Victory Outreach International. That date should be communicated to V.O.I.
- Representation from Victory Outreach International (Multi-Regional Leader and Regional Pastor) should be present at the special meeting.
- The Pastor and the Victory Outreach International representative will each have an opportunity to address the tithing members of the church, regarding the planned separation from Victory Outreach International.
- At this meeting, the Pastor will share his intention to separate. Victory Outreach International will make it known that the tithers may vote to choose to remain Victory Outreach International, or vote to separate.

B. Congregational Meeting

After the pastor has properly completed the initial steps, the pastor will then precedes to the next step, the congregational meeting step:

- Congregational meeting: A written notice must be sent notifying the church “Tithers” of a special meeting where the pastor and a representative from Victory Outreach International (Multi-Regional Leader or the Regional Pastor) will meet with the church “Tithers.”
- The written notice should be sent at least seven (7) days prior to the special meeting with the reason therefore.
- The pastor should also make an announcement in at least one Sunday morning worship service, prior to, the special meeting.
- If at least 2/3 majority of the church “Tithers” attending the special meeting approve to withdraw from Victory Outreach International by written ballot, the measure to withdraw from association with Victory Outreach International will be accepted.
 - a. Upon the separation of the congregation, the separated congregation must immediately discontinue the use of the name “Victory Outreach” and the registered trademarks and service marks owned by Victory Outreach International.
 - b. Upon the separation of the congregation, the separated congregation must immediately cease and desist use of the words “Victory Outreach” in any communications whatsoever.

C. Opposition of Best Practice

If a pastor opposes the Best Practice of setting up a special meeting and allowing proper representation from Victory Outreach International (Multi-Regional Leader and/or the Regional Pastor) to meet with the church, the Multi-Regional Leader or Regional Pastor will then set up a congregational meeting (possibly at another location).

- This meeting is for the purpose of giving those who may want to continue with Victory Outreach International Christian Fellowship of Churches the opportunity to voice that opinion, as well as, giving them encouragement and direction with regard to the separation and the new pastoral and congregational developments.

D. Best Practices for Transfer of Real Property

1. Titled Property in the name of Victory Outreach International.

- a. If the property title is in the name of Victory Outreach International the property shall remain with Victory Outreach International if 2/3 majority of the separated congregation petitions for the property, they must apply for a loan to purchase the property from Victory Outreach International. Upon qualification, and close of escrow, the property will be transferred to the separated congregation.

Eighty percent of the congregation's contributions towards the purchase of the property shall be applied to the selling price, if the congregation qualifies for the purchase.

- b. If the congregation fails to qualify to purchase the building, the congregation shall either:
 - 1) Vacate the premises within 90 days; or
 - 2) agree to lease the premise under ordinary business terms and conditions; or
 - 3) the property shall be put up for sale at fair market value. If sold, eighty percent of what the congregation has contributed to the purchase of the property, since the property was purchased, will be applied to the selling price.

2. Titled Property Jointly Held (V.O. International and local V.O.)

- a. If the title to the property is jointly held by Victory Outreach International

and the congregation, then the aforementioned Best Practice will apply.
(See previous VI:D.1)

3. Titled Property Held by Local Church of the Victory Outreach International Christian Fellowship of Churches.

- a. If title to the property is in the name of the local church, the property should be used for the benefit of Victory Outreach International if the property was bought with funds raised in the name of Victory Outreach International. If the title to the property is entirely in the name of the local church, such properties are basically held in trust as churches of the Victory Outreach International Christian Fellowship of Churches.

CHURCH DISASSOCIATION BEST PRACTICE

CHECKLIST FOR DISASSOCIATION OF A LOCAL VICTORY OUTREACH CHURCH

“Discontinuation” and/or “Disassociation” under VOI Operational & Best Practice Manual are the Church’s official processes for closing or removing a local church as a Fellowship of Churches of Victory Outreach International. Discontinuation or Disassociation of a local Victory Outreach Church in many ways are task-oriented Best Practices (with detailed to do’s), and as such are suited to a checklist. What should not be lost in the tasks are the many spiritual and pastoral aspects of closing a local church: honoring the rich history of the church, attending to the grief and other pastoral needs of persons who still worship there, listening to persons who have thoughts and ideas about what should happen to the church, and the like. These spiritual and pastoral aspects of closing a church cannot be captured in this checklist, because they are uniquely different in every situation. As the Multi-Regional overseer works through the check list, take enough time to stop and observe, listen and discern the special needs of the people around you who are affected by the process.

FINANCIAL COMPENSATION **FOR VICTORY OUTREACH EVANGELISTS**

Purpose

To insure a minimum and satisfactory monetary compensation for the ministry the Evangelist brings to the Victory Outreach Church the Evangelist visits.

Best Practice

The following amounts should be the minimum amount paid for an evangelist:

A. ***Per Service**

	<u>U. S. A.</u>	<u>Int'l: Mexico/S. America Only</u>
1st service	\$200.00	\$ 75.00
2nd service	\$200.00	\$ 75.00
3rd service	\$200.00	\$ 75.00
4th service	\$100.00	
5th service	\$100.00	

- B. Beyond five services (three services Mex./S. America) the church should compensate according to the Biblical principles of giving.

- D. This Best Practice applies to all Victory Outreach licensed Evangelists, regardless of how long they have been in ministry.

Love Offerings: If the Pastor picks up a love offering, there should be clear understanding of where the money is going.

- Example: If the Pastor picks up a love offering and says it's for the Evangelist – then it all goes to the Evangelist and the cost of his/her hospitality, lodging and travel.

Negotiations: Prior mutual agreements of where the love offering is going can be made between the Pastor and Evangelist.

CANCELLATION BEST PRACTICE REGARDING VICTORY OUTREACH EVANGELISTS

It is the Best Practice of Victory Outreach International, that once a date has been scheduled by a Victory Outreach Pastor with a licensed Victory Outreach Evangelist and confirmed by phone and/or in writing, that if the hosting pastor must cancel the evangelist for any reason, a notification thirty one (31) days or more of the scheduled date must be given by the pastor.

Any cancellation or rescheduling thirty (30) days or less of the scheduled date makes the hosting pastor responsible for compensating the Evangelist for the first service only (\$200) even though a number of services and/or days may have been scheduled.

SECTION V- **RELIGIOUS CORPORATION COMPLIANCE**

ESTABLISHING A CORPORATION

Once the Victory Outreach International® Christian Fellowship of Churches, Ministerial Services Division, approves the launching out of a new church, the following documents need to be obtained, drafted and submitted to the appropriate government office, preferably in the following order.

I. FEDERAL EMPLOYER IDENTIFICATION NUMBER

This number is obtained from the Internal Revenue Service, who requires that each business entity in the U.S., has its own identifier with the Federal government records. The Federal Employer Identification Number (“FEIN”) is a 9 digit identifier that is assigned after completing the SS-4 form.

The application (SS-4), for a FEIN must be submitted to the IRS as soon as a church is launched with an address. The FEIN is requisite to:

- Open Bank Accounts
- Payroll
- File Payroll Tax Reports
- Identify your church with the Federal government

This form SS-4 may be obtained at the IRS website: www.irs.gov by entering “SS4” on the search box on the left side and entering “forms and publications” in the within: box. Otherwise the direct link would be <http://www.irs.gov/pub/irs-pdf/fss4> , once the form is completed; you may call the phone number in your general geographical area: in the East Coast call (215) 516-3990, in the Midwest call (859) 669-5763 and in the West Coast call (631) 447-8960. The agent will ask you to respond according to the information entered in the form by number order. The pertinent questions to answer are: numbers 1, 4a, 4b, 6, 7a (usually pastor), 7b (occasionally ask for his SS#), 8a (church), 8b, 9 (usually banking purposes), 10, 11 (December), 12, 13 (are all 0s), 14 (other: place of worship), 15 (ministerial services), 16a, then go to name and title and signature. Once the agent has received the satisfactory answers, he/she will assign your FEIN over the phone. A “Notice of Assigned Federal ID Number” will follow in the mail within a couple of weeks.

The FEIN is exclusive to each individual church entity. Do not allow any other entity to use the FEIN assigned to your church. After being assigned your FEIN, the IRS will mail the “Notice of Assigned FEIN” to your physical address. File it and label it separately to other church documents. (Copies will be required by various financial and government institutions)

To apply for a State Identification number in the state of California:

- Contact the Employment Development Department for assistance in filing the proper form.

It is your responsibility to develop and maintain files for all official filings, certificates and numbers from Federal, State and County Offices. Include the vital documents (or Xeroxes, thereof), in the corporate minute book.

INCORPORATION DEFINITIONS.

The incorporation of a church is designed to do two important things.

- A. to limit liability, generate autonomy, independence and
- B. to build accountability within the church for the organization and operation of the church.

Corporate status offers protection to the church as well as to the Board of Directors from suit for their actions unless these actions fall under certain exceptions. By the act of the incorporation process, a church shields itself and it also safeguards the interests of the organizations with which the corporation is associated because it is viewed as legally distinct from the others.

A Corporation is an artificial creation of the state by which persons are able to accomplish what they may not do as individuals or partners. It is registered with the government for the purposes of regulation, protection of the public, and revenue. A nonprofit corporation normally will be free from paying some, but not all kinds of taxes.

The corporation is organized under the rules of the Corporations Code and the Nonprofit Religious Corporations section. Many states have Nonprofit Acts. If not, they regulate all corporations under their general corporation law. This does not mean that churches lose their tax exemption if a state does not have a Nonprofit Act. The two main instruments in establishing and operating a corporation are: the Articles of Incorporation, the Bylaws and any subsequent Amendments to the Articles that may be necessary as the corporation is a changing organism or entity.

Filing Organizing System:

II. ARTICLES OF INCORPORATION

From a legal standpoint, the **Articles of Incorporation** is one of the most important documents of a church as its organizational instrument. It may also be referred as the Corporate Charter and it is compared as the birth certificate of the corporation.

This document gets submitted to the Secretary of State's corporation's division office in your State's capital or at any regional office within the State to be reviewed and certified by appropriate action. If approved, a corporation number is assigned.

Generally the articles of incorporation contain information including, but not limited to, those things, which establish the following:

1. The name and address of the corporation;
Names can usually be changed later by a resolution to amend your organizational instrument duly enacted and the amendment properly filed with the secretary of state. Generally, name changes should also be reported to the IRS.
2. The duration of the corporation;
Generally churches incorporate for perpetual duration
3. The purpose of the organization;
The purpose is extremely important! This portion limits those activities in which a church can engage. One of the first things we look at in an operations and Best Practices review is the stated purpose of an organization (this area is of major importance to the IRS, too, in determining tax exempt status).
4. The defined rules by which the organization shall be operated;
The **articles** are usually quite brief in their content with regard to organizational rules. These are usually established in great detail within the **bylaws** of the corporation.

Each state has set guidelines with regard to articles of incorporation including specifics with regard to the format (paper size), required contents, filing fees and other legal procedures. Some states require that you obtain previous clearance for the name you have chosen, ensuring that no other church is using the same or similar name with the exception of permission in writing.

Most states require filing with the secretary of state. Some require filing at the county courthouse, and others require both. It is advisable for you to check with the secretary of state for specific information regarding laws affecting a church in your particular state. If there are any changes such as the name of the entity, purpose, or any other wording, an amendment has to be submitted to the same Secretary of State, Corporation's division of your state.

III. BYLAWS

People often confuse the organizing instrument (articles of incorporation or charter) with bylaws. As discussed previously, articles of incorporation are the “birth certificate” of an organization. Bylaws, on the other hand, contain the rules of the internal government of the church. At the minimum, the bylaws should, among other things, contain provision for the following:

1. Selection And Requirements Of Church Membership
2. Time And Place Of Annual Meetings
3. Rules For Calling A Special Meeting
4. Rules For Notice Of The Annual Meeting
5. Quorums
6. Voting Rights
7. Selection Tenure And Removal Of Officers And Directors

ARTICLE 2 PURPOSES

SECTION 1. OBJECTIVES AND PURPOSES

The primary objectives and purposes of this corporation are to operate a church for the promulgation of the gospel of Jesus Christ, the rendering of Christian service, through material, spiritual and educational means, to those in need. Towards this end we plant and develop churches and training centers and work in collaboration with other Churches and organizations of similar purpose.

SECTION 2 STATEMENT OF FAITH

Every minister, board member, employee, or volunteer shall affirm their agreement with the following Statement of Faith and shall conduct themselves in a manner that is consistent therewith. This shall be a prerequisite, and continual condition, for these positions:

We Believe: The Bible is Our All-Sufficient Rule of Faith and Conduct, in the Inspired Word of God. The Scriptures, both the Old and the New Testaments, contains the verbally inspired, and authoritative word of God. (2 Tim. 3:15-17; 1 Thess. 2:13; 2 Pet.1:21). There is But One Living and True God: God has chosen to reveal himself as the Father, the Son, and the Holy Spirit, and these three are on God the same in substance, equal in power and glory. A Trinity in unity. (Dt. 6:4; Isa. 43:10,11; Mt. 28:19; Lk. 3:22). In the Deity of the Lord Jesus Christ: The Lord Jesus Christ, the Son of God, is God and man. Jesus Christ is perfect God and perfect man. (Jn. 1: 1-3; Col. 1:16; Heb. 1:10). As the Eternal Son of God we believe: 1. He was born of a virgin. (Mt. 1:23; Lk. 1:31,35). 2. He led a sinless life (Heb. 7:26; 1 Pet. 2:22). 3. He performed miracles (Acts 2:22; Acts 10:38). 4. He died on the cross for our sins (1 Cor. 15:3; 2 Cor.5:21). 5. He rose bodily from the dead (Mt. 28:6; Lk. 24:39; 1 Cor. 15:4). 6. He sits at the right hand of the Father (Acts 2:33; Phil. 2:9-11; Heb. 1:3). 7. He will visibly return again (Acts 1:10,11).

In the Sinfulness of Man: When Adam and Eve fell from their original righteousness and communion with God they became dead in sin. From this original sin our natures became sinful. Because of the sinfulness of man, sinful man is inclined to serve his own will instead of God (Ps. 36:1; Jer.17:9). **In the Salvation of Man:** The Bible teaches that God has provided salvation for man in the person and work (life, ministry, vicarious death, and resurrection) of his son Jesus Christ. Conditions or requirements for salvation: Repentance toward God and faith in our Lord Jesus Christ.(Mk. 1:15; Mk. 3:19, Mk. 16:31; Jn. 3:16). **The Sanctification of the believer:** With salvation we are set apart from sin and dedicated to God for fellowship and service. This sanctification is both instant and progressive in the life of the saint. (1 Thess. 4:7, 1 Thess. 5:23; Heb. 10:4; 1 Pet. 1:2). **In the Baptism of the Holy Spirit:** The purpose of the baptism is to empower or energize us for service. This is evidenced by the initial physical signs of speaking with other tongues as the Spirit of God gives them utterance (Acts 1:4, Acts 1:8; Acts 2:4). **In the Church and its Mission:** The Church are those regenerate persons who are gathered together in Christ the head of the church; through which the gospel is preached and believers are nurtured. (Mt. 28:19,20; Mk.16:15; Acts 1:8; Eph. 4:11-16; 1 Cor. 14:12). A) To accomplish the work of the ministry we believe in the priesthood of the believer (Eph. 4:12; 1 Pet 2:9) B) And in the ministry of Apostles, Prophets, Evangelists, Pastors, and Teachers (Eph. 4:11). **In the Ordinances of the Church:** There are two ordinances (authoritative order, decree) that we observe and practice. A) Water baptism by immersion: all who repent of their sins and believe in the Lord Jesus Christ are eligible for water baptism (Mt. 28:19; Mk. 16:16; Acts 10:47; Rom. 6:4). B) Holy Communion or the Lord's Supper. "Do it in remembrance" declares the Lord's death and as such a memorial (1 Cor. 11:24; 1K. 22:19). "You do show the Lord's death" is an act of faith in the atoning work of Christ and as a proclamation (1 Co. 11:26). "Till He comes" is a statement of anticipation of the return of our Lord Jesus Christ and as such our hope. **In Divine Healing:** Jesus Christ is our Divine Physician who according to His will, sovereignty, graciousness, and mercy can heal the sick. (Isa. 53:4, 5; Mt. 8:16, 17; James 5:14-16). **In the Second Coming of Christ:** His coming will be personal, visible, and glorious. (Jn. 14:3; Acts 1:10,11; Heb. 9:28; Phil. 3:20; Zech. 12:10; 2 Thess. 1:7; Col. 3:4; Rev. 1:7). The dead in Christ will rise, then the redeemed that are alive shall be caught up together to meet the Lord in the air (1 Cor. 15:51,52; 1 Thess 4:17; 2 Thess. 2:1; Titus 2:13). With the Second Coming of Christ will begin the thousand year reign of Christ over an earthly kingdom (Rev. 20:2,6). **The Final Judgment:** Known as the "Great White Throne Judgment" it describes the judgment of all the wicked dead (Rev. 20:11-14). **In a New Heaven and a New Earth:** Heaven and earth will have a new beginning. Heaven and Earth have awaited their redemption and will be restored in harmony and order, wherein dwelleth righteousness. (Ps. 102:25,26; Isa. 34:4; Isa. 51:6; Rom. 8:22; 2 Pet. 3:10,13). **Marriage:** Marriage is a sacrament of the Church. This church defines "marriage" as the exclusive covenantal union of one man and one woman in which such union is a lifetime commitment. A civil government's sanction of a union will be recognized as a legitimate marriage by the church only to the extent that it is consistent with the definition of "marriage" found in this Statement. **Human Sexuality:** Legitimate sexual relations are exercised solely within marriage. Hence, sexual activities outside of marriage (referred to in the New Testament as "porneia"-- πορνεία) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible and the Church. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or viewing of pornography, are incompatible with the biblical witness.

IV. CORPORATE MINUTE BOOK

Significant corporate decisions and actions voted upon at a meeting of the Board of Directors should be evidenced (filed) in the corporate minute book and.

- The vote of a majority of Directors (quorum) is the legal action of the Board of Directors.
- Directors cannot legally speak for the corporation, unilaterally.
- California State corporations law and the standard Bylaws of a Victory Outreach - Church provide that any action of the Board of Directors is allowable (without a meeting of the Board) if a quorum (more than 50%) of the Directors agree in writing to the resolution authorizing any legal action, it is entitled “**Unanimous Written Consent.**” File any and all resolutions and the written consents passed by the Board with the minutes in the corporate minute book. The Board of Directors can meet through multiple-party telephonic communication.

The Annual Meeting of the Board of Directors:

1. Election of Directors and Officers, for the next year;

Information as to the significant issues to be discussed at the Annual Meeting should be sent to the Board Directors, prior to the meeting (for consideration).

Corporation or Business Law books are available through various sources. Check the state bar association and the Net for more information.

If you are the Corporate Secretary to the Corporation, you should review all prior minutes of the Corporation. A business meeting handbook or procedural rules should be drafted for use at the Annual Meeting and Committee Meetings of the Corporation.

The following is a suggested Best Practice for corporate meetings:

1. Introduction of business
2. Classifications of motions
3. Motions
4. Committees and less formal action
5. Debate
6. Voting
7. Officers and Minutes
8. Organization
9. Officers and committees
10. Alternative rules and practices

Essentials. Certain principles of parliamentary Best Practice:

1. Majority vote prevails
2. Directors consider one topic, at a time
3. Directors have equal rights and duties
4. Chairman of the Board objectively conducts the proceeding insures each voter's rights

Recording Meeting Minutes. **Minutes of a corporate meeting are accurate and complete (not transcribed). Prior to the meeting, review the corporate minutes from other meetings for organization, detail, style, etc.**

1. Prepare name cards to identify participants, during meeting.
2. Prepare the agenda, documents needed, to check facts and figures.
3. Summarize general discussions; correctly record resolutions, amendments, critical statements,

decisions, and conclusions. A document for recording such information is included in this Section.

4. Record the name of each person who makes or seconds a motion or who proposes any action or opinion.
5. Signal the chairperson if you miss anything or need additional information.

Word Processing the Meeting Minutes

The Corporation may follow the sample Meeting Minutes, attached hereto.

Editing Meeting Minutes. At each meeting, minutes of the prior meeting are read, corrections are made, and edited minutes should be placed in the corporate minute book.

Best Practice. Draw a red pencil mark through the incorrect phrases or words. Edit the correction above the red line and write at which meeting the correction was made. For large corrections -- too large to write above the line out -- type the new material on a separate page and note in the margin that a correction appears on a paper attached to the minutes. Corrections need to be signed by the Corporation's Secretary and Chairman of the Board of Directors.

Organizing the Minute Section. Minutes are kept chronologically in the corporate minute book.

Parliamentary Best Practice

1. Notify participants of a meeting by letter, memo, standard notification form, fax, or telephone. Telephonic notification should also be in writing (when feasible), and file a written record.
2. Meeting notices should include the date, time, location, and preliminary agenda.
3. Agenda issues should be in the order addressed at the meeting, e.g. call to order, reading of prior minutes, treasurer's report, other reports, old business, new business, committee appointments, nominations and election of new officers, announcements and adjournment.
4. When reading the minutes, speak clearly and maintain the rules of Best Practice.
5. Before taking minutes, prepare recording forms, agenda, and other pertinent documents.
6. Word process important decisions of the board as listed in the minutes by drafting resolutions, proposals and important opinions and discussions.
7. Edit the minutes, cross out errors in red and write the new material above the line-out or word process the editing on a separate paper and attach to minutes.

Below see samples of minute forms.

**VICTORY OUTREACH [INSERT CHURCH NAME]
MARRIAGE BEST PRACTICE**

Marriage is a union ordained by God. It was first instituted by God in the early chapters of Genesis, codified in the Levitical law, the Old Testament prophets compared it to a relationship between God and his people, examples of it are in the historical narratives, and, the wisdom literature discusses the unique unity of this relationship. Jesus explained the original intention and core elements of marriage, and several New Testament Epistles give explicit instructions on this union. Marriage is a typology of Christ and the Church. As such, the Church views marriage as a profound spiritual institution established by God. Due to the importance of marriage in the biblical witness, this church adopts the following Best Practice.

Clergy/Licensed Ministers:

1. Only duly ordained clergy and/or licensed ministers shall officiate at marriage ceremonies conducted on church property.
2. Clergy and/or licensed ministers employed by the church shall be subject to dismissal and/or loss of ordination and/or minister's license for officiating a same gender marriage ceremony.

Applicants:

1. Applicants wishing to have a ceremony performed by a member of the clergy and/or licensed minister employed by the church, or to use the church facilities, shall affirm their agreement with the Statement of Faith and shall conduct themselves in a manner that is consistent therewith.
2. Applicants shall receive ____ hours of premarital counseling by clergy, licensed ministers or counselors employed by the church or other persons who, in the sole opinion of the pastoral staff of the church, have appropriate training, experience, and spiritual understanding to provide such counseling.

Premises:

1. Any marriage performed on church premises shall be officiated by a member of the clergy or a licensed minister of the church.
2. Clergy and/or licensed ministers officiating marriage ceremonies on church premises, whether or not employed by the church, shall affirm their agreement with the Statement of Faith and shall conduct themselves in a manner that is consistent therewith.
3. The clergy and/or licensed minister assigned by the church to implement the Best Practices contained in this Marriage Best Practice may, in his or her sole discretion, decline to make church facilities available for, and/or decline to officiate at, a ceremony when, in his or her judgment, there are significant concerns that one or both of the applicants may not be qualified to enter into the sacred bond of marriage for theological, doctrinal, moral or legal reasons.

Victory Outreach Statement of Faith

WE BELIEVE:

The Bible is our all-sufficient rule of faith and conduct.

As the inspired word of God, the Bible is our rule of faith and life. (Rom. 15:4; 2 Tim. 3:16) The Scriptures, both the Old and the New Testaments, contains the verbally inspired, and authoritative word of God. (2 Tim. 3:15-17; 1 Thess. 2:13; 2 Pet.1:21).

There is But One Living and True God.

God has chosen to reveal himself as the Father, the Son, and the Holy Spirit, and these three are on God the same in substance, equal in power and glory. God is a Trinity in unity. (Dt. 6:4; Isa. 43:10,11; Mt. 28:19; Lk. 3:22).

- God created all things.
Out of nothing, God made the things that are the universe, the elements, plant life, animal life (to reproduce each after its kind) and finally, man in the image of God. (Gen. 1:1-27; Neh. 9:6; Ps. 33:6,9; Jn. 1:3; Heb. 11:3)

In the Deity of the Lord Jesus Christ:

The Lord Jesus Christ, the Son of God, is God and man. Jesus Christ is perfect God and perfect man. (Jn. 1: 1-3; Col. 1:16; Heb. 1:10).

As the Eternal Son of God we believe:

- He was born of a virgin. (Mt. 1:23; Lk. 1:31,35).
- He led a sinless life (Heb. 7:26; 1 Pet. 2:22).
- He performed miracles (Acts 2:22; Acts 10:38).
- He died on the cross for our sins (1 Cor. 15:3; 2 Cor.5:21).
- He rose bodily from the dead (Mt. 28:6; Lk. 24:39; 1 Cor. 15:4).
- He sits at the right hand of the Father (Acts 2:33; Phil. 2:9-11; Heb. 1:3).
- He will visibly return again (Acts 1:10,11).

In the Sinfulness of Man:

When Adam and Eve fell from their original righteousness and communion with God they became dead in sin. From this original sin our natures became sinful. Because of the sinfulness of man, sinful man is inclined to serve his own will instead of God (Ps. 36:1; Jer.17:9).

In the Salvation of Man:

The Bible teaches that God has provided salvation for man in the person and work (life, ministry, vicarious death, and resurrection) of his son Jesus Christ.

Repentance toward God and faith in our Lord Jesus Christ are conditions or what is necessary for salvation:.(Mk. 1:15; Mk. 3:19, Mk. 16:31; Jn. 3:16).

The Sanctification of the believer:

With salvation we are set apart from sin and dedicated to God for fellowship and service. This sanctification is both instant and progressive in the life of the saint. (Acts 26:18; Thess. 4:7, 1 Thess. 5:23; Heb. 10:4; 1 Pet. 1:2).

In the Baptism of the Holy Spirit:

The purpose of the baptism is to empower or energize us for service. This is evidenced by the initial physical signs of speaking with other tongues as the Spirit of God gives them utterance (Acts 1:4, Acts 1:8; Acts 2:4).

In the Church and its Mission:

The Church are those regenerate persons who are gathered together in Christ the head of the church; through which the gospel is preached and believers are nurtured. (Mt. 28:19,20; Mk.16:15; Acts 1:8; Eph. 4:11-16; 1 Cor. 14:12).

- To accomplish the work of the ministry we believe in the priesthood of the believer (Eph. 4:12; 1 Pet 2:9)
- And in the ministry of Apostles, Prophets, Evangelists, Pastors, and Teachers (Eph. 4:11,12).

In the Ordinances of the Church:

There are two ordinances (authoritative order, decree) that we observe and practice.

- Water baptism by immersion: all who repent of their sins and believe in the Lord Jesus Christ are eligible for water baptism (Mt. 28:19; Mk. 16:16; Acts 10:47; Rom. 6:4).
- Holy Communion or the Lord's Supper. "Do it in remembrance" declares the Lord's death and as such a memorial (1 Cor. 11:24; 1K. 22:19). "You do show the Lord's death" is an act of faith in the atoning work of Christ and as a proclamation (1 Co. 11:26). "Till He comes" is a statement of anticipation of the return of our Lord Jesus Christ and as such our hope.

In Divine Healing:

Jesus Christ is our Divine Physician who according to His will, sovereignty, graciousness, and mercy can heal the sick. (Isa. 53:4, 5; Mt. 8:16, 17; James 5:14-16).

In the Second Coming of Christ:

His coming will be personal, visible, and glorious. (Jn. 14:3; Acts 1:10,11; Heb. 9:28; Phil. 3:20; Zech. 12:10; 2 Thess. 1:7; Col. 3:4; Rev. 1:7).

- The dead in Christ will rise, then the redeemed that are alive shall be caught up together to meet the Lord in the air (1 Cor. 15:51, 52; 1 Thess. 4:17; 2 Thess. 2:1; Titus 2:13).
- With the Second Coming of Christ will begin the thousand year reign of Christ over an earthly kingdom (Rev. 20:2,6).

The Final Judgment:

Known as the "Great White Throne Judgment" it describes the judgment of all the wicked dead (Rev. 20:11-14).

In a New Heaven and a New Earth:

Heaven and earth will have a new beginning. Heaven and Earth have awaited their redemption and will be restored in harmony and order, wherein dwelleth righteousness. (Ps. 102:25,26; Isa. 34:4; Isa. 51:6; Rom. 8:22; 2 Pet. 3:10,13).

Marriage:

Marriage is a sacrament of the Church. This church defines “marriage” as the exclusive covenantal union of one man and one woman in which such union is a lifetime commitment. A civil government’s sanction of a union will be recognized as a legitimate marriage by the church only to the extent that it is consistent with the definition of “marriage” found in this Statement.

Human Sexuality:

Legitimate sexual relations are exercised solely within marriage. Hence, sexual activities outside of marriage (referred to in the New Testament as “porneia”-- πορνεία) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible and the Church. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or viewing of pornography, are incompatible with the biblical witness.

California Income Tax Exemption

A "tax-exempt" entity is a corporation, unincorporated association, or trust that has applied for and received a determination letter from the office of the Franchise Tax Board stating it is exempt from California franchise and income tax. (California Revenue and Taxation Code Section 23701). Once approved, keep in mind that although many exempt organizations will be required to file Form 199, Churches DO NOT file Form 199.

Note: If you do not obtain state tax exemption for your church, it remains subject to the California Revenue and Taxation Code as a Taxable entity and you will receive annual bills. In other words, it is mandatory to apply for State Income Tax Exemption by filing Form 3500 with the Franchise Tax Board.

For more Franchise Tax Board information, refer to [FTB Publication 927](#), Overview of Exempt Organizations.

Although most California laws dealing with tax exemption are patterned after the Internal Revenue Code, obtaining state exemption is a separate process from obtaining federal exemption. Even if you have obtained federal exemption for your organization, you must submit

an Exempt Application form (FTB 3500) to the Franchise Tax Board to obtain state tax exemption. You may apply for state tax exemption prior to obtaining federal tax-exempt status.

Form 3500

II. FEDERAL INCOME TAXES EXEMPTIONS - INTERNAL REVENUE SERVICE

IRS Publication 557, Tax-Exempt Status for Your Organization, discusses the rules and Best Practices for organizations that seek to obtain recognition of exemption from federal income tax under section 501(a) of the Internal Revenue Code (IRC). It explains the procedures you must follow to obtain an appropriate ruling or determination letter recognizing your organization's exemption, as well as certain other information that applies generally to all exempt organizations. To qualify for exemption under the IRC, your organization must be organized (incorporated as a religious nonprofit corporation) for one or more of the purposes designated in the IRC. Organizations that are exempt under section 501(a) of the IRC include those organizations described in section 501(c). Section 501(c) organizations are covered in IRS Publication 557.

III. PROPERTY TAX EXEMPTION

Below please find a short summary information on Property Tax Exemption in California. For more extensive information, please refer to Board of Equalization Publication # 48. Please contact your state or county for pertinent information in your location.

California property tax laws provide for three types of property exemptions which may be claimed by religious organizations:

1. **Church Exemption**, which may be claimed on property that is **owned, leased, or rented** by a religious organization and **used exclusively for religious worship services with attendance of the complete congregation**. Also includes auxiliary uses such as offices, conference rooms, Sunday school and parking lot. There are no prerequisites for this exemption other than to fill out a
2. **Religious Exemption**, which may be claimed on property **owned** by a church where it: a) conducts worship services on the property or b) operates its own school, c) if another church is permitted to use the property part time for religious worship. Both the owner and the user must file for the Religious Exemption.

Sales and Use Taxes California - Board of Equalization

Nonprofit or exempt organizations do not have a blanket exemption from sales and use taxes.

Some sales and purchases are exempt from sales and use taxes. Examples of exempt sales include, but are not limited to, sales of certain food products for human consumption, sales to the U.S. Government, sales of prescription medicines and certain vehicle and vessel transfers. For more information on exempt sales, please read Publication 61, *Sales and Use Taxes: Exemptions and Exclusions*. For information on vehicle and vessel exemptions, see Publication 52, *Vehicles and Vessels: How to Request an Exemption from California Use Tax*.

There are special exemptions in the Sales and Use Tax Law for certain types of charitable organizations. For information on which charitable organizations qualify for exemptions read Publication 18, *Tax Tips for Nonprofit Organizations*.
